Things to see and Things to do

◆ Guest Room with Furniture of natural materials

Cottages made of woods are furnished with items of MUJI. The simple, yet stylish room will provide you comfortable lodging experience.

◆ Breathtaking Scenery

No matter what season you visit, you can enjoy beautiful scenery. At night, you will see numerous stars in the dark sky. In winter, it snows as if small white flowers are falling from Heaven.

◆ Explore local history

The area, in which the cottages are located, is rich in history. To explore the history, take a walk on a hiking route. Several hiking routes are available, but the route called "Road of Gods" is the must-see.

◆ Legendary Hot Spring

The Hayato Hot Spring has 1200-year history. Near the cottage, there is "Tsuru no Yu". It is said that the hot spring is called Tsuru (crane) no Yu (hot spring) because once upon a time, a crane came to heal its wounds.

◆ Rural Train

「JR Tadami sen」 is famous for stunning scenery. From the window, you will see the mountain range with majestic valley of the Tadami river. You will also catch a glimpse of villager's lives; working in the fields etc.

◆ Just be still and relax

As you wake up in the morning, you will see the Tadami river running gently. Birds are tweeting in the mountain. Just enjoy the gift of nature and appreciate the time to be with it.
